**Science Fiction Writer, including *Mars Crossing* and *Impact Parameter (and Other Quantum Realities)*, winning the Hugo and Nebula Awards for Best Short Story**

### **“A Year on Mars with Spirit and Opportunity”**

In April, 2003, Dr. Landis spoke to the CAS about the Mars Exploration Rover Missions (MER). In their year on Mars, the twin rovers have been making astounding discoveries. Dr. Landis will cover where we have been, what we have done, and where we will be going with the rovers. Come hear about the adventures of the rovers Spirit and Opportunity from the perspective of a member of the MER science team...and then ask your questions.
