“Mars Assets Update”

We will start 2007 with a fresh look and a timely update of the Red Planet. Jay Reynolds is an official JPL/NASA Solar System Ambassador. His presentation will cover an update of the Mars Rovers, as well as the latest returns from the Mars Reconnaissance Orbiter. Jay has made several very informative presentations in the past.

High School Teachers interested in bringing two students, as our guests, please contact Bob Sledz, President, at 440-333-7827 or sledzbob@yahoo.com, if possible two weeks or more prior to scheduled meeting date.
