7:00—7:45 p.m. – Buffet Dinner (Reservations Required)      8:00—9:00 p.m. – Featured Speaker (Free to public)

### Leonard Krieger CanalWay Center

4524 East 49<sup>th</sup> Street (turn onto Whittlesey Way to reach Center), Cuyahoga Heights

### Speaker: Dr. George W. Collins II

Case Western Reserve University

### **“Bizarre Objects in the Universe”**

Dr. Collins has graciously agreed to once again open our meeting year with the question: **What happened to the Quiet Universe of the 1<sup>st</sup> half of the 20<sup>th</sup> Century?** We will look at the discovery of some of the strangest objects in the universe and try to understand how they formed and fit into the larger picture of the evolutionary behavior of the stars and galaxies that make up our universe.

High School Teachers interested in bringing two students, as our guests, please contact Bob Sledz, President, at 440-333-7827 or [sledzbob@yahoo.com](mailto:sledzbob@yahoo.com), if possible two weeks or more prior to scheduled meeting date.
